February 2010

Description of Events:

- Homework Groups: Students have time to work on their homework, have an afternoon group meeting, eat snack, and enjoy recess.
- Academic Groups: Students will be focusing on improving their reading and math skills through fun, creative activities!
- Girl Scouts: Lots of activities just for the girls!
- Crafts: Students will have a chance to use their creativity in some crafty projects!
- Mad Science: Lots of science activities provided by Mad Science of Maine. Prepared to become MAD about SCIENCE!
- Swimming: Free swimming time at the Reiche Pool!
- Gym: Students will have an opportunity to participate in organized gym activities.
- Humane Education: Kathleen, a humane educator from the Animal Refuge League comes to LearningWorks Afterschool to share with students how to treat animals, how animals communicate, and the purpose of the Animal Refuge League.
- Cooking: Mrs. Fox will be working with students in creating a cookbook while cooking the recipes at the same time!
- Imagineers: Mrs. Abdul had many science activities planned for the students, including soda bottle science!
- Sports & Wellness: Mrs. Newsome will lead students in physical activities along with learning about healthy eating.
- 3 Cups of Tea: Students will be reading the book 3 Cups of Tea and engaging in many creative activities including a service learning project.

All Activities are subject to change. Last updated 1-25-10
